

Is your home safe from *Radon*?

- Radon is a cancer-causing radioactive gas.
- You can not see, smell, or taste it.
- Breathing air that contains radon increases your risk of lung cancer.

*Testing your home for radon levels is
the only way to know you are safe!*

To receive an application for a **free radon test kit** call the Center for Environmental Health at the Livingston County Department of Health at **243-7280**.
