

**Is  
your  
home  
safe  
from  
*Radon?***

- Radon is a cancer-causing radioactive gas.
- You can not see, smell, or taste it.
- Breathing air that contains radon increases your risk of lung cancer.

*Testing your home for radon levels is the  
only way to know you are safe!*

To receive an application for a **free radon test kit** call the Center for Environmental Health at the Livingston County Department of Health at **243-7280**.
