

Livingston County Medical Reserve Corps

Be part of your community's team.

Be ready to respond.

Become involved in the Medical Reserve Corps

***Whether it's a flu clinic, a health screening,
a flood or an ice storm,
your help is needed!***

Join the Livingston County Medical Reserve Corps, a network of community-based medical and non-medical volunteers who assist their communities with public health needs and also during emergency situations.

volunteers who assist their communities with public health needs and also during emergency situations.

Who can volunteer?
Anyone interested in serving their community!
No experience is necessary.

To become a volunteer,
call the
Livingston County EMS
at **(585) 243-7596**
or visit **www.gvhp.org**
to pre-register online.

A project of the Livingston County Department of Health and the Genesee Valley Health Partnership.
